

Israel in the Crosshairs

Zechariah 2:8 For thus saith the Lord of hosts; *After the glory hath he sent me unto the nations which spoiled you: for he that toucheth you toucheth the apple of his eye.*

“ Hamas has gone full ISIS, and is now in addition reportedly beheading captured Israeli soldiers.” – *Victor Davis Hanson*

“The Israeli soldiers discovered **babies with heads cut off.**” – *Hen Mazzig*

Photos have emerged of **Jewish children burned alive** by Hamas. Hamas is housing **weapons at schools and hospitals**. Meanwhile, a sitting member of Congress, Rashida Tlaib, is flying the **Palestine flag outside her Congressional office**.

Israel's cabinet invoked Article 40 Aleph, **officially declaring war** for the *first time since the Yom Kippur War in 1973*.

Intelligence Failure?

It is the **50th anniversary of the Yom Kippur War**.

\$16 billion Iran was given back in August (along with the most recent \$6 Billion) that we all knew would fund terrorism. **Why did not our intelligence warn them and their intelligence discover the Iran-Hamas plan?**

That border is one of the **most heavily defended on the planet**. Somehow Hamas got **hundreds of soldiers thru** that border with no military response from Israel for hours.

Did perhaps certain people in the Israeli government also want this to happen so they could get a war started? How did the **iron dome fail** in Israel and allow all those rockets through? How did so many Hamas soldiers get past the most militarized and protected border in the world to slaughter innocent civilians?

A lot of **failures** had to happen to make this *preplanned attack* successful. **This smells something awful!** Biden's (Obama's) head Iran negotiator has had his clearance pulled and is being investigated over classified documents.

“I served in the IDF 25 years ago in the intelligence forces ... there's no way, in my view, that Israel did not know what's coming... **Something is very wrong here.**” - *Efrat Fenigson*

"*We stand with Israel*" is shallow, hollow, rhetoric from this Administration. Our **actions** now **speak louder** than any words they can utter.

US weapons left behind in Afghanistan were used to attack Israel. A high-ranking Israel Defense Forces (IDF) commander said US weapons left in Afghanistan by the Biden administration were found **in the hands of Palestinian groups** active in the Gaza Strip.

Very disturbing, a Middle East Monitor reported that Joe Biden approved the release of **\$75 million dollar** aid to Palestine **just hours before the attack on Israel**. In a quiet move bypassing Republicans.

US Secretary of State Antony Blinken approved the release of \$75 million in crucial food assistance for Palestinians just **hours before the funds were set to be redistributed elsewhere**.

"There Is NO WAY In The World ANYONE Can Approach That Border Without Us Knowing About It. — There Is **No Way In Hell**. They Would Wake Me Up For A Pigeon In The Sky" - *Israel Infantry Operations Sergeant During Operation Protective Edge, Gaza Division, Logistics Support*

Blinken finally had to admit that cutting the \$6,000,000,000 check to Iran caused Hamas to attack Israel. But, this is the **tip of the iceberg**..

"It's not even just this \$6 billion which clearly is going to further enrich Iran, its **closer to \$60 billion**..." - *John Ratcliffe, Former Director of National Intelligence*

Obama funded Iran with \$150 Billion and \$1.7 Billion pallets full of cash delivered in dead of night. Biden funded today's war with \$6 Billion delivered to Iran on 9-11. **Biden** and his cronies have blood on their hands – again.

"We thank the Islamic Republic of **Iran who provided us with weapons, money and other equipment!** He gave us missiles **to destroy Zionist fortresses**, and helped us **with standard anti-tank missiles!**" - *Spokesperson of Izzuddin Al-Qassam Brigades, Abu Obaidah*

Now we know that **Egyptian intelligence warnings were ignored** by Israel. Why?

Why isn't **Egypt** opening their border with Gaza for refugees to get out of harm's way? It would seem that the Arab world wants the Gaza people right where they are. They are **pawns favoring Hamas'** activity.

Remember when **John Kerry** was meeting with the Iranians behind the US and Trump's back? Iran supports Hamas as their proxy.

Robert Malley was US Envoy to Iran, appointed by Biden, after having been lead negotiator under Obama of Iran Deal. He has been **suspended without pay and the FBI now has an open investigation of mishandling classified information** -- since he only dealt with Iran, it's not hard to guess what country was involved.

Ariane Tabatabai, Chief of Staff to Assistant Sec. of Defense for Special Ops Christopher Maier, is a long-time member of the "Iran Experts Initiative" which is a front group consisting of "academics" and others who "assist" the U.S. Government in dealing with Iran. Email communications between her and various officials in the Iran Government show that **she has been taking directions from Tehran** and reporting on matters learned in her capacity in DOD.

"Imagine the **communist regime under Joe Biden hiring an Iranian spy who hates Israel** who has enough influence to **help free up sanctions** on Iran so they could **sponsor a terror attack on Israel** and he still works for Joe Biden." – *Wendy Patterson*

Compromised

"The Middle East is quieter today than it has been for two decades" – *Biden's National Security Advisor Jake Sullivan last week*

Some are saying that our **intelligence agencies** are incompetent. They may be. It is more likely that they are **compromised**, and sold out to the globalist's agenda. **Obama** made huge inroads by placing members of the **Muslim Brotherhood in high-level key positions** throughout our government, military, and intelligence agencies.

"Our **intel community is mostly compromised** and politicized." – *Adam Housley*

Our **Deep State** shadow government is real. It is our clear and present danger. The Swamp runs deep and wide. Most hold to a globalist allegiance. We even have openly anti-American Congressmen. Rashida Tlaib is a jihadist and a HAMAS sympathizer.

"Now that the Israel part of Obama's dream has been achieved, we should **be prepared for the other shoe to drop**. The violence he unleashed in Israel will be coming to these shores now." – *Lee Smith*

Muslim Mafia – Book

Intersectionality

There is found **intersectionality** amongst the globalists behind the **Great Reset** and **Islamic nations** hell-bent on the annihilation of Israel and America. *America must fall* for the Great Reset to achieve their goal of world control. Illegal Alien invasion of Europe, UK, and America serves to erode sovereignty, while placing terrorist cells within countries.

“Thanks to Joe Biden's open border, nearly **400 suspected terrorists** have been apprehended at the Southern Border in FY22 + 23. Around **2 million gotaways** means we have **no idea how many terrorists made it into America.**” – *Charlie Kirk*

The **globalists want chaos**, war, and civil war. The EU and WEF, and NGOs like *George Soros' Open Society Foundation*, are actively **funding and facilitating the invasions** like what we see at our southern border. This is going on worldwide. Muslims, and other terrorists, are **useful pawns** in their effort to disrupt stable societies. Remember **Soros'** dream is to see America fall before he dies.

“If you don't think they are **importing criminal gangs** from the open border as an army to slaughter your children in front of you, then you're hopeless. You don't understand anything. You'll enjoy the big game today, and soon it'll be too late for your house.” - *Cernovich*

This should be a **wakeup call for America**. Will we heed the warning? The hour is late.

“Attack on Israel by **Democrat-funded Iran/Hamas** should be a **wakeup call** to the Biden/Democrat fueled invasion at US border by **millions of military-aged men from all over the world**. Republicans shouldn't allow anything to move in Congress until we close our border immediately.” – *Jim DeMint*

Indifference

Our response says it all. While **Hamas holds Americans hostage**, with four presumed dead now, **Joe Biden** was enjoying a BBQ picnic with a live band. Meanwhile, Secretary **Blinken** is blinking with a confused look and inane comments, spending more time covering for inept actions of our Government.

Warmonger Senator **Lindsey Graham** is on the alleged list of lawmakers being funneled kickbacks from our US tax dollars that are going to Ukraine, having allegedly **pocketed** north of **\$82 million** according to a top Ukrainian official. He is, of course, pushing for a full-scale engagement in the Middle East. It pays well! Follow the money.

And, of course, this is political fodder for **opportunist wannabes**. Backstabber and **turncoat traitor**, **Mike Pence** just out did himself as he refers to President Trump as “*retreating from the World?*”

“This is what happens when we have leading voices like Donald Trump, Vivek Ramaswamy, and Ron DeSantis **signaling retreat from America’s role as leader of the free world**. When I’m President of the United States, we’ll lead from American Strength.” – *Mike Pence*

The man, who crushed ISIS, created the Abraham Accords, prevented any new wars, revitalized NATO and killed Obama’s Iran Deal? Is he really talking about Trump?

Paying for War – Objective

On August 17, 2023 **President Trump** criticized Joe Biden for giving Iran \$6 billion dollars and said that this deal was:

“‘Extremely deadly’ and that the payment **would be immediately used to start violence, bloodshed** and mayhem throughout the Middle East and all around the world, Iran would use this money on for their nuclear weapons deal program which would put Israel, the United States and the whole world in very grave peril. Costing countless innocent lives. ... **Biden put a bounty on every American head.**”

Now there are too many questions.

The **shallow assessments**, and the utter nonsense, surrounding the reasons for the attack on Israel are incredible. One suggested this was a *spur of the moment attack in response to Jews praying on the Temple Mount* during Yom Kippur.

If it was a factor, it was a small factor. To those paying attention, this was a **highly funded, planned, coordinated, choreographed, practiced, and carefully executed attack**. This did not just happen as a kneejerk reaction.

There is a **2,000 year-old blood feud** playing out here. It is a rabid hatred of Jews and Zion, and America – you know, us, *the great satan*. This is spiritual.

Officers from **Iran’s Islamic Revolutionary Guard Corps** have been **working with Hamas since August** to train terrorists for their complex attack on Israel, which involved **assaults from the air, land and sea**. Today the **President of Iran** called the leader of **Hamas to congratulate him** on the attack he carried out against Israel.

“In **less than 3 years** - the installed **Biden regime** has destroyed our border, destroyed our economy, destroyed our energy independence, and caused massive wars across the globe ... Oh yeah - and it's **all on purpose.**” – *Catturd*

Let's look back two years. This did not start today. It has been in the making since Biden took office, before ... go back to **Obama**. Remember when **Obama sent \$221 million to Palestine** in his final hours in office, and **pallets of cash to Iran**?

Remember when **Pentagon sent U.S. Arms stored in Israel to Ukraine**? Well is it any surprise what's now happening to Israel knowing that **Obama is pulling the puppet string** on the Biden regime?

Ted Cruz says, Biden has given Iran over \$40 Billion in cash and oil sanctions relief. Here's what that \$\$ bought:

"Iranian security officials helped plan Hamas's Saturday surprise attack on Israel and gave the green light for the assault at a meeting in Beirut last Monday." - *WSJ*

Hamas Terrorists are using advanced weaponry to shoot down and attack IDF helicopters in Israel. Once again clear evidence that Biden has through failures in **Afghanistan** and lack of oversight in **Ukraine** handed weapons and weapon systems to Nazi Ukraine which are now being used to attack Jews in their homeland.

Wouldn't you know it, **Zelensky** is upset that he is losing attention and money to Israel so he has concocted the **conspiracy theory that Putin is behind everything** happening in Israel and Gaza.

After **9 Americans were confirmed dead** in Israel, Joe Biden called a lid at 11:32 AM. He will not be giving a briefing or making any official statements. The **world is at war** and Americans are dying and the **President of the United States is taking a nap!**

Even the **European Union**, which is one of the most liberal governing bodies on the planet, announced they were **halting aid to Palestine** before Biden.

"The Biden administration has contributed to the notion that Hamas was a legitimate Middle-East player. It fueled the perception that the U.S. was backing away from its traditional support for Israel—to the delight of Hamas—based on inexplicable policies." – *Victor Davis Hanson*

We need the man who doesn't sleep.

"We will cut off the money to Palestinian terrorists on Day One. And we will re-impose the travel ban on terror-afflicted countries so that the bloodshed and killing we saw this week will NEVER reach American soil." - *President Trump in New Hampshire*

Invitation

Iran just invited Israel and the US to a new war in the Middle-East. Taking the bait will accelerate the inevitable decline of the bankrupt US Government. *Imagine US wars in Ukraine, Iran and Taiwan simultaneously plus North Korea attacking the South.* This smells of a **coordinated geostrategic checkmate.**

Now, we are nearly in it. The **United States military has just ordered the movement of the USS Gerald R. Ford Carrier Strike Group**, including the USS Normandy as well as other guided missile destroyers, **to the Eastern Mediterranean.** The Aircraft F-35 F-15 F-16 and A-10 fighter squadrons are part of the Air Power that has been ordered to assist.

We are bankrupt and cannot handle more wars. We added \$513 billion in total debt over the past 18 days to an all time high \$33.513 trillion. But, that want stop this Administration. That is the plan.

Not to worry. I am sure that **Iran is shaking in their boots** at the prospect of **Dr. 'Rachel' Levine**, and 'his' *Leftist, effeminate, woke, gay, transgender, DEI* cronies coming for them.

Saudi Card - Objective

"The Kingdom's continuous **stand by the Palestinian people** to achieve their legitimate rights to a decent life, realize their hopes and aspirations, and achieve just and lasting peace." - *Crown Prince Mohammed Bin Salman*

Here is the **hidden intent** of the Biden Administration. **Saudi Arabia** has informed the US Secretary of State, Antony Blinken, that it is **ending all negotiations on normalizing relations with Israel.**

The **peace process between Israel and Saudi Arabia** has been completely **derailed.** Regardless of the lies the MSM spew, **Biden has been working to stop this effort** since day one. Barack Obama and his cronies, including his puppet Biden, have been funneling money to Iran and Hamas for over a decade.

"In the Trump Administration, we blocked money for Palestinian terrorists. But hours after **Biden** came in, he **gave \$230 million to the very terrorists who committed these barbaric acts.**" – *Mike Pompeo*

Southern Border - Objective

“We just saw Hamas brutally murder 900+ Israelis, most all civilians. If you want to know what else they’re after, this Hamas Commander tells you. They want to kill every Jew and every Christian—and take control of the “entire 510 million sq. kilometers of Planet Earth.” **If you think what is happening in Israel is limited to Israel, think again.** “Pray for the peace of Jerusalem!” (Psalm 122:6)” – *Franklin Graham*

Do not take your **eyes off of the Southern Border**. Having a fully **open Southern Border** at a time when America is funding wars all over the globe is a **complete disaster waiting to happen**. We have never been more vulnerable to a terror attack on American soil as we are today.

99% of the illegals Biden has freed into the US are still here. ICE has been dismantled. CBP has been turned into a free shuttle service for illegals. And the cartels are the ones in charge.

The **pro-Hamas gatherings, protests and demonstrations** across America and Canada **should be alarming**. We witnessed huge crowds of Hamas supporters gather in support of the attack on Israel in cities all over America. But, it is in our Government:

“The **Justice Department invited an Iranian backed Judge from Iraq to Washington**. The State Department outed the DoJ for doing it - and then **DoJ uninvited the same radical**. Combine this with the **Pentagon and State already hiring pro-Iranian Regime appointees** and we have a confirmed infiltration of radicals in the Biden Administration.” – *Richard Grenell*

Tom Fitton, of Judicial Watch, says that a **high-level Iranian spy ring was busted** in Washington. Well, that’s a start. But, **Obama Muslim appointees** still hold high-level posts throughout our government, military, and universities.

“How **many Hamas-trained fighting-age males** has Joe Biden let **into this country**? Does the US government know? Or care? Does anybody?”
– *Dinesh D’Souza*

A United States border patrol agent is on camera confirming that **Venezuela has emptied their prisons**. We have multiple videos pointing towards the **United Nations importing this army into America**. We’ve been witnessing the systematic takedown of America; this may be the grand finale in the making.

Internal CBP data provided and confirmed by CBP sources reveals thousands of **“special interest aliens”** from mostly **Middle Eastern countries** have been apprehended by Border Patrol while crossing into U.S. illegally over last 2 years.

- Syria: 538

- Yemen: 139
- Iran: 659
- Iraq: 123
- Afghanistan: 6,386
- Lebanon: 164
- Egypt: 3,153
- Pakistan: 1,613
- Mauritania: 15,594
- Uzbekistan: 13,624
- Turkey: 30,830

A *special interest alien* is a term used by the U.S. government to refer to **people coming from countries that have conditions that favor or harbor terrorism**, or pose a potential national security to the U.S.

What about all the ones they missed?

Border Patrol sources say that they have **extreme concerns** about who is coming into the country because they have little to **no way of vetting** people from these special interest countries.

Muslim Brotherhood told BLM Marxists: **'your jihad is our jihad.'** **BLM** issued a statement of **solidarity with Hamas**. Be prepared.

Timely Distraction - Objective

The **illegal Biden regime was under investigation on all fronts** and several of its key officials were headed for impeachment just before this war started. How fortuitous!

Do not be distracted. **Don't lose sight of other important news**. It is very interesting timing given what is going on here. All of this is out of the news now.

- Hunter is out of the news
- Border is out of the news
- Ukraine is out of the news
- Speaker drama out of the news
- Biden Crime Family is out of the news
- Worldwide illegal immigrant invasion is out of the news
- Horrible economy is out of the news

What a lucky break for Biden and the Democrats.

"The Biden-Obama regime gave Iran \$6 billion. Then it placed an Iranian woman high up in the Pentagon. Then it hired an Iranian spy

as its envoy to Iran. But you still think this regime was 'surprised' by this war on Israel?" – *Emerald Robinson*

What happened, literally over night, will **persist going forward into the elections**. Once relatively unified over draconian COVID insanity and the vaccine war crimes, now divided over which people in Israel we should defend unquestioningly. Again, how timely!

"Your president believes that climate change and white people are our biggest threat." – *Tomi Lahren*

Israel - (Miracle that is Israel)

Israel is:

- The bull's-eye of the world
- A place where the past, present and future converge
- The epicenter of the future

Israel, with merely 8.7 Million People (6.5 M Jews), stands **against 22 Nations with 500 Million people** hell-bent on her annihilation

Israel is **living out Biblical Prophecy** before our eyes

"In Israel, in order to be a realist, you **must believe in miracles.**" - *David Ben Gurion, First Prime Minister*

Genesis 35:10 (Jacob, 1653 BC) And God said unto him ... thy name shall not be called any more Jacob, but Israel ... 12 And **the land** which I gave Abraham and Isaac, to thee I will **give** it, and **to thy seed after thee will I give the land**.

Leviticus 26:33 (1400 BC) And I will **scatter** you among the heathen, and will draw out a sword after you: and **your land shall be desolate**, and your cities waste.

Deuteronomy 30:3 That then the Lord thy God will **turn thy captivity**, and have compassion upon thee, and will **return** and **gather thee from all the nations**, whither the Lord thy God hath scattered thee ... 5 And the Lord thy **God will bring thee into the land** which thy fathers possessed, and **thou shalt possess it**; and he will do thee good, and multiply thee above thy fathers.

Jeremiah 30:3 For, lo, the days come, saith the Lord, that I **will bring again the captivity of my people Israel and Judah**, saith the Lord: and I will **cause them to return to the land** that I gave to their fathers, and they shall possess it.

Isaiah 11:11 And it shall come to pass in that day, that the Lord shall set his hand again the **second time to recover the remnant of his people**, which shall be left, ... 12 And he shall set up an ensign for the nations, and **shall assemble the outcasts of Israel**, and **gather together the dispersed** of Judah from the four corners of the earth.

Amos 9:11 In that day ... I will **raise up his ruins**, and I will build it as in the days of old: ... 14 And I will **bring again the captivity of my people of Israel**, and they shall build the waste cities, and inhabit them; and they shall plant vineyards, and drink the wine thereof; they shall also make gardens, and eat the fruit of them. 15 And **I will plant them upon their land**, and **they shall no more be pulled up** out of their land which I have given them, saith the Lord thy God.

“God still wants to complete with the Jews the plan for redeeming the world ... This is why God has preserved ... a sacred remnant of Israel ... the chosen people.” - *Dietrich Bonhoeffer*

Zechariah 12:2 Behold, I **will make Jerusalem a cup of trembling** unto all the people round about ... 3 And in that day will I make **Jerusalem a burdensome stone** for all people: **all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it.**

All End-time Prophecy is Jerusalem-centric

Israel – Why do I care?

Okay – I get it; God has brought the Jews back into their land a second time and they will not be removed, in fact they will be blessed there ... Why do I care?
